Examiner's Amendment

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Steven Noll on 23 October 2006.

The **Title** has been amended as follows: **Franking Device With Tamper Protection**

In the **Abstract**, the last line has been replaced as follows:

"the third step has a length that is varied according to a prescribed function to prevent tampering".

In the **Claims**:

Claim 3, lines 4-5, replaced the language "has a likelihood that" with the language "may cause" and deleted the language "will arise".

Lines 4-5 now read as follows:

"carrier, without taking the variation of said waiting time interval into account, may cause a longitudinal offset along said first direction between said".

Claim 9, last line of the claim, the language “step (c)” has been replaced with the language “said third step”.

Claim 11, lines 5-6, replaced the language “has a likelihood that” with the language “may cause” and deleted the language “will arise”.

Lines 5-6 now read as follows:

“interval into account, may cause a longitudinal offset along said first direction between said first partial image and said second partial image on”.
